### Damage Claims

Please advise the Field Manager or Team Leader of any damage you see at the time of your move date. Negotiations can resolve the claims the same day. In the event that the claim is beyond being settled that same day, we will photograph the damage and submit it to the Claims Department. At that time you will fill out our claims form and it will take 30 days to process the claim to review or research. Mind At Peace Moving will give you 3 days from move date to submit a claim. After the 3rd day the claim will be disregarded. We will disconnect any electronics but not be responsible for any electronics malfunction after move has been completed. If furniture is scratched, it will be professionally repaired, not replaced. Any additional claims will be thru the claim process. Upon approval of damage claim the insurance company or Mind At Peace Moving will notify you of such date for reimbursement or date of repair. Also, Not Responsible For Jewelry or Valuables.

### Moving Charges

I understand and agree that the total invoice presented to me at the completion of the move is based on the hourly completion and any additional fees that was part of my move. I also understand that in a damage claim process, invoice is paid in full.
